

Wetenschappers die willen optreden als getuigendeskundige voor Clintel

Dr. William Happer, Professor of Physics, Emeritus, Princeton University (USA)

Publications: <https://www.researchgate.net/profile/William-Happer/research> (h-index: 45)

Dr. Richard Lindzen, Alfred P. Sloan Professor of Atmospheric Science Emeritus, Massachusetts Institute of Technology (USA)

Publications: <https://www.researchgate.net/profile/Richard-Lindzen> (h-index: 64)

Dr. Ross McKittrick, Professor of Economics, Department of Economics and Finance, University of Guelph (Canada)

Publications: [Ross McKittrick - Google Scholar](#) (h-index: 27)

Professor Dr Richard S.J. Tol, Professor of Economics at the University of Sussex and Professor of the Economics of Climate Change, Institute for Environmental Studies and Department of Spatial Economics, Vrije Universiteit, Amsterdam, the Netherlands (UK and The Netherlands)

Publications: <https://www.researchgate.net/profile/Richard-Tol> (h-index: 111)

Demetris Koutsoyiannis, Civil Engineer, Doctor in Engineering, Professor Emeritus at National Technical University of Athens (Greece)

Publications: <https://www.researchgate.net/profile/Demetris-Koutsoyiannis> (h-index: 66)

Peter Ridd was Professor of Physics at James Cook University specialising in geophysics. He now works with the Institute of Public Affairs (Australia)

Publications: <https://www.researchgate.net/profile/Peter-Ridd> (h-index: 41)

Nicholas Lewis, an independent Climate Science Researcher (UK)

Publications: <https://nicholaslewis.org/peer-reviewed-publications/>

Samuel Furfari, Professor of Geopolitics and Energy Policy at the ESCP (London campus). He was Professor of Geopolitics of Energy and Energy Policy at the Université Libre de Bruxelles for 18 years. (Belgium)

Publications: <https://www.researchgate.net/profile/Samuel-Furfari> (h-index: 8)

Prof. Dr. Fritz Vahrenholt (Germany)

Publications: <https://www.researchgate.net/profile/Fritz-Vahrenholt> (h-index: 8)
